Professional Background / Brief description of current role

I have worked at Rigby Hall School as Level 3 Teaching Assistant, D of E Deputy Manager and D of E Assessor for the last 5 Years. I have developed a strong professional working relationship with staff, pupil's and stakeholders here at Rigby. In January 2023 I qualified as a Level 6 Careers Advisor. I am finding the role fun and rewarding. I particularly enjoy working on a 1-1 supporting pupils to develop their future aspirations.

In your own words why is it important to support the development of Worcestershire's Future Workforce?

To support our young people to develop the skills, qualities and attributes along-side independence and resilience to enable them to become active members of the local community and to lead fulfilling lives.

Why did you decide to become involved within the CEC initiative?

To work together to improve careers information, advice and guidance outcomes for young People with SEND. Supporting them to develop the skills, knowledge and experiences that employers are looking for to ensure a diverse workforce of the future.

Any other info (achievements / awards / personal goals etc.

I have gained my Level 6 OCR qualification in Careers development and Guidance. I am currently completing may Careers Leader Training with the CDI and I am a Member of the Careers Development Institute (CDI).
