

Lime's Newsletter

Lime Newsletter Summer 2

Well I can't quite believe we have only half a term to go this year has flown by so quickly!

The class team this term consists of Jayne, Madi and Ryan.

This half term in Lime we will be covering the following AQA units of work based upon the theme of Olympics:

English: Functional reading skills.

Maths: 2D and 3D shapes and their properties.

Science: Electricity and magnetism.

Religious Education: Religious art work.

Food Technology: Cooking dishes from around the world.

Outdoor Education: Exploring forest school.

PSHE: Sex Education: relationships, puberty.

Computing: Apps, websites and internet safety.

Art: Collage

Preparing for adulthood: Learning about different countries.

Physical Education: Sports from around the world.

Life Skills Challenge: Our favourite sports and activities and physical and human features of the environment.

Physical Education will take place on a Wednesday morning and outdoor education will take place on a Monday afternoon.

Any concerns or questions please feel free to contact me either before or after school.

Jayne, Maddi and Ryan
