Ash Class reminders and information

We do forest school on Monday mornings. Please can your child come to school dressed in jogging bottoms and a long-sleeved top. Also, if you can, send wellies and waterproofs in on this day or if you prefer these can be named and left in school. If the weather is wet, waterproof trousers would be useful too. We have PE on Friday mornings, so please send your child's PE kit in on a Friday for them to change into. Getting changed for PE is an important part of the children's development. Please encourage your child to change independently at home whenever possible.
