Understanding the World – Plants – growing and caring for plants, observing changes in growth

Expressive Arts & Design – Role play

Sapling Class reminder and information

We do Forest School on Monday afternoons. Please can your child come to school dressed in jogging bottoms and a long-sleeved top. Also, if you can, send wellies and waterproofs in on this day or if you prefer these can be names and left in school. If the weather is wet, waterproof trousers would be useful too. We have PE on Tuesday mornings, so please send your child's PE kit in on a Tuesday for them to get changed into or they can leave it at school to be sent home at the end of half term to be washed. Getting changed for PE is an important part of the children's development. Please encourage your child to change independently at home whenever possible.
