

Maple Class Newsletter – Spring 1

English: *Receiving and Responding to Information*

We will be learning how we can obtain information from a variety of texts and continue to further develop our speaking and listening skills through participating and contributing to conversations.

Mathematics: *Money*

We will be using both coins and notes to make given totals and work out change in whole pounds from amounts up to £20. We will begin to transfer our skills when learning how to use a budget.

Science: *Earth and Space*

We will be learning about our solar system and galaxies. We will learn facts about the sun and planets and gain a better understanding about the scale of our universe.

Computing: *Introduction into Social Media*

We will be recapping on how we can stay safe online and why this is important to do so.

PSHE: *Mental Health and Well-being*

We will be discussing what is meant by good mental health and participate in activities that contribute to good mental health.

Life skills: *Participation in Baking*

We will be using utensils and equipment whilst participating in several baking sessions to produce baked goods.

Creative Media: *Introduction into Photography and Animation*

We will be using a device to capture photographs and create a stop motion animation by taking photographs or using computer software.

Wednesday: PE

If you have any concerns please feel to contact me via the school office.

As always, many thanks for your continued support and here's to another successful half-term 😊

Team Maple.

Claire Amos, Emma Cox and Henry
