Expressive Arts & Design – Role play

Sycamore Class reminders and information

We do Forest School on Monday Afternoon. Please can your child come to school dressed in jogging bottoms and a long-sleeved top. Also, if you can, send wellies and waterproofs in on this day or if you prefer these can be named and left in school. If the weather is wet, waterproof trousers would

be useful too. We have PE on Thursday mornings, so please send your child's PE kit in on a Thursday for them to change into or they can leave it at school to be sent home at the end of half term to be washed. Getting changed for PE is an important part of the children's development. Please encourage your child to change independently at home whenever possible.
